The Committee is requesting the City’s assistance in watering the planters once they are completed. The City took care of the watering one year while the next year the watering was done by the Boy’s Ranch Home. Last year no one took on the project of watering. She also said the City must be diligent to keep watch over the spending to prevent the City from falling into the same situation that happened in prior years.

   c) On the electric sale issue, she said the City was half way through the sale process. The City is working to try and get out of the MOPEP pool contract. Once that was accomplished,
the next hurdle would be setting an election to finalize the franchise fee. On that note, her recommendation was to create a new ad hoc committee titled “Ad Hoc Electric Committee” to continue the ongoing process of the electric utility sale. Hale stated he felt the new aldermen and mayor should also be a part of the process. Mayor Yates appointed the following to the committee: Mark Tripp, Rick Polete, Sie Merriman, Sr., Ken Pierce, Phil Page, Tom Steska, John Singleton and Danny Kemp.
