MINUTES
CITY COUNCIL WORK SESSION
FREDERICKTOWN, MISSOURI
MARCH 23, 2009
5:30 PM

A. CALL TO ORDER AND ROLL CALL
Mayor Kemp called the meeting to order. Those present on roll call were: Alderman Polete, Alderman Merriman, Alderman Tripp, Alderman Thomas, and Alderman Wright. Also present were: Interim City Administrator Dismuke, City Attorney Moore, City Engineer Baer, City Clerk Stevens, Deputy Clerk Harbison, department heads and visitors.

B. APPROVAL OF MINUTES
1) Minutes of the work session meeting of March 9, 2009. A motion was made by Merriman with a second by Polete to approve the minutes as presented. Motion carried.

C. APPROVAL OF AGENDA
1) Additions or deletions.
   Add additional item to work session business: Gary Harrison representing Sargent Construction regarding electric issues.

2) Approval of agenda. A motion was made by Merriman with a second by Wright to approve the agenda as amended. Motion carried.

D. WORK SESSION BUSINESS
1) Discussion concerning the creation of a utility board. Alderman Merriman said the Planning, Development and Ordinance (PDO) Committee recommended not to pursue establishing a utility board. He went on to say the committee felt it gave too much power to any one entity. Alderman Tripp expressed his disagreement stating a utility board does not have the last say. Merriman then quoted from various State Statutes indicating the power of a utility board. The consensus of the council agreed with the PDO.

2) Discussion concerning Chapter 125: Parks and Recreation Board, Section 125.020. Dismuke explained to council what prompted this item being placed on the agenda. Tara Hale who was President of the Park Board resigned at their last meeting as she is no longer a city resident. The present requirements for Park Board membership is nine members (six from the city and three from the county). Tara’s residency change would put four county members on the board. Alderman Merriman then explained the PDO met on this issue as well. Their recommendation was to leave the number of county members at three. In addition, Merriman said the PDO would like to recommend Section 125.020 include the requirement all Park Board officers must be city residents as they will be spending city tax dollars. The council agreed to the recommendations. Attorney Moore will have an ordinance ready for the next council meeting. The council also said the acting vice president Chuck Penuel (a county member) can remain in the position until the Park Board elects officers in June.

3) Discussion and recommendations by Building Inspector regarding plan review fees and changes in zoning requirements. Building Inspector Richard Macke addressed council proposing an increase in the fees for plan review. He said the fees we are presently charging are not recouping the cost of reviewing the plans. Council suggested checking with surrounding communities to see what they charge and bring back recommendations. The zoning discussion related to day cares. Macke explained there some inconsistencies in the zoning requirements for day cares. Attorney Moore will work up the changes and have them ready for the Planning and Zoning Commission to review and/or approve. It was noted those operating day cares under the present code can continue until the changes are made.
4) **Discussion concerning changes/additions to Municipal Code for nuisances.** Council proceeded to review the recommendation of Marshal Wright regarding derelict vehicles and public intoxication. Attorney Moore will make the modifications and bring them back for approval.

5) **Discussion concerning energy rebate options.** Dismuke referred council to the AMEREN information included in the packets regarding their energy rebate programs. A discussion ensued as to how the city should set up such a program, how much to offer, and how much money will the city have available for the program itself. Merriman suggested checking with finance officer Shinn to see what money could be set aside for such a program.

6) **Discussion concerning junk/used tire disposal program.** Dismuke referred this discussion to Alderman Thomas, who explained this was a one time program through the prison system. The tires would be dropped off then placed in trailers by the work release prisoners and then hauled away. The dates scheduled for the program will be the end of May to July.

7) **Gary Harrison representing Sargent Construction regarding electric issues.** Harrison introduced himself to the council. He distributed information regarding some electric issues the company had been having over a period of years. He felt the issues were based on “bad electric” from the city and blamed those electric issues on equipment losses. He stated he felt the City should do something about the losses to his company.

E. **CLOSED SESSION** (As authorized by RSMo Section 610.021). A motion was made by Merriman with a second by Tripp to move the one (1) closed session personnel item to the regular council meeting. Motion carried.

F. **ADJOURNMENT**

1) Motion was made by Merriman with a second by Wright to adjourn. Motion carried.
