6) Invoice approval for annual Sensus System support for our utility hand held devices in the amount of $1524.60. A motion was made by Miller with a second by Thomas to approve the invoice. Motion carried.
7) Request by Fire Department to purchase radio repeater (budgeted item). After a brief discussion, a motion was made by Wulfert with a second by Miller to approve the radio repeater purchase from Midwest Radio Systems, Inc., Bismarck, MO in the amount of $4694.03. Motion carried.
8) Travel request by Captain Hovis for cost of gas only; all other expenses paid in full. After a brief explanation by Captain Hovis, a motion was made by Wulfert with a second by Miller to approve two officers for the travel request. Motion carried.
9) Continued review of sign ordinance. City Administrator Friend began by stating he and building inspector Macke met and went through the proposed sign ordinance with a “fine tooth comb”. He went on to say they agreed on the sign ordinance recommendations as a whole with a couple of additions. He recommended adding structural requirements to include the following: all signs will be required to transfer a twenty-five (25) pound per square foot wind load safely to the ground and require an engineering certification to that effect. He then said he and Macke felt the original recommendation on length of time to start and complete repairs to signs once the owner received a notice of disrepair should be: work to commence within fifteen (15) days (instead of 30) with project completion forty-five (45) days instead of ninety (90). He also said he felt a fee adjustment needed to be made based on cost of construction of the sign, but that issue can be addressed at a later time. A motion was then made by Paul Brown with a second by Thomas to approve the sign ordinance including those additional recommendations from Friend/Macke. Motion carried. An ordinance will be prepared for next Council meeting.
10) Continued review of the utility budget billing. The discussion began with a general discussion of how the present budget billing rules work, although, budget billing is presently not being offered to utility customers. City Administrator Friend stated he would check into how our present billing software works and see if it can be modified for our needs.
